Wednesday 5th May 2021, 11am – 12pm

At The Fountain Court, inside Parliament House, 6 Macquarie Street Sydney

National Domestic Violence Remembrance Day Event

*A symbolic event to acknowledge the victims of
Domestic and Family Violence*

Women

Children

Men

The community is invited to this event to quietly reflect, acknowledge and honour the women, children and men who have been killed due to DFV.

We will lay roses along the ground – red for women, white for children and yellow for men. Roses will be available for purchase on the day or bring your own.

This is designed to facilitate community expression of our grief and a reminder that with appropriate interventions, education and specialist domestic and family violence support services future deaths may be prevented.

We would like to acknowledge the traditional custodians of the land on which we perform our work. We would also like to acknowledge all Aboriginal and Torres Strait Islander people who reside within this area.
