

# YPS & ASES- THE WHAT, WHY, HOW, WHEN

YPS is about to be assessed under the Australian Services Excellence Standards (ASES) & we want to share our journey with you.

## AUSTRALIAN SERVICES EXCELLENCE STANDARDS (ASES):

ASES is a set of Standards that agencies are assessed under- to make sure systems & practice meet the highest possible standards & continuous quality improvements are occurring.

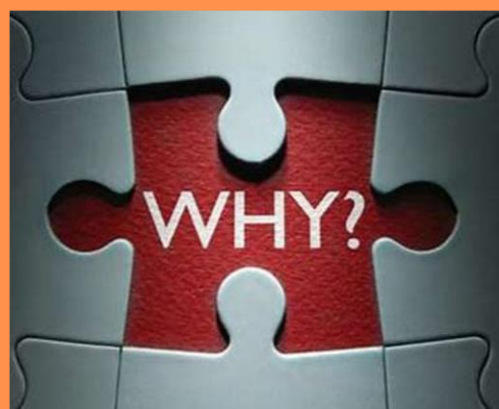

WHAT?

## STANDARDS MATTER

YPS has always been about quality services & ASES will provide YPS with a system to continually review what we do & how we do it.

All SHS services in NSW have to be ASES accredited by 2023.

## SYSTEM REVIEWS & SITE VISITS

ASES is a significant process & involves an Assessor reviewing YPS's internal systems & practice with young people & community. The Assessor will also visit our sites & talk to staff, Board members, young people & our external networks.

## NOW & IN THE FUTURE

ASES is actually about making sure services are always implementing continuous quality improvement- so its a cyclic process. The official assessment will be in December/ January & then reviewed every 3 years.

## WANNA KNOW MORE

If your interested to know more about ASES give Michelle a call on 0458031230.

YPS will continue to focus on quality service provision to our local children & young people.

Now What?!!
